

DEAR PARENTS,

At Hometown, we are committed to caring for the children and families in our church to the best of our ability. We are so thankful that you are joining us and trusting us with your little ones today.

We have an amazing curriculum that we will use throughout the year, and dedicated teachers and volunteers to serve in the classrooms. We will teach your children the Gospel message and stories from the Bible that will start them on a path that we hope will lead to life-long relationship with Jesus. Our time with the children will include music, stories, games, crafts and lots of fun! We strive to create a safe and welcoming space each week. More information about the HCC Kids Club can be found on our website! Feel free to check it out.

If you ever have questions or concerns, please feel free to reach out to us or chat with the teachers anytime. We are looking forward to meeting and getting to know you and your children!

BLESSINGS.

"252 Kids" 1st-5th Graders

- We want your kids to grow up understanding the importance of:
making wiser choices, building stronger relationships and developing a deeper faith
- "252 Kids" combines child development and theology to create a comprehensive children's ministry curriculum and strategy.

Resources and Memory Verses

- HCC Kids Club uses curriculum from the "ORANGE" company (ThinkOrange.com) and adapts it weekly for our particular needs. We use a number of supplemental resources, such as videos of worship songs and kid experiments on YouTube.com.
- Feel free to ask Pastor Julie for the links to these videos so you can re-watch them with your children during the week!
- We also want our children to understand the importance of having God's Word in our hearts. We will have a *memory verse from Scripture* for them to memorize each week. *The verse can be found every month on our website.* Each week the kids will recite and describe the verse to earn a sticker. 2-4 stickers per month will earn them a treat on the last week of the month.
- We need your help to review the verse with your children and make sure they understand what it means and what it means to them!
- Talking to your children at dinner or bedtime about what they have learned or know about God is a great way to make loving the Lord a part of their daily life.
