Christ

We value Jesus Christ, the life He lived, the sacrifice He made, and the living hope He is to us today. At Hometown we strive to emulate Him, love Him and share Him with others.

Joy

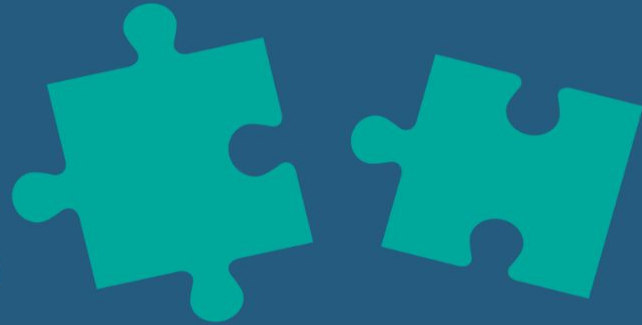

We value the complete joy that we find in Christ. At Hometown, we strive to choose joy in all circumstances and help others do the same.

Connection

We value connection with God, with each other, and with our community.

At Hometown we strive to develop and strengthen these connections by having personal time with God, being together as a church family, and meeting the needs of people in our community.

Growth

We value spiritual growth.

At Hometown we strive to become a community that is growing spiritually by studying the Bible individually and together, allowing the Word to challenge us and change us.

Authenticity

We value authenticity. At Hometown nobody's perfect. We strive to be real, to love unconditionally, and to meet people where they are.
